

Health and housing: Let's talk about children and families

Join us at our first free event of 2019 aimed at staff with an interest in the subject, to discuss how the system is set up to help children and families who are in housing need and explore how authorities can work together to best meet these needs.

27th Chamber of Commerce,
Feb Manchester city centre

You will receive a certificate of attendance following the event.

The event will include:

Guest briefing

"Health homelessness within the Rough Sleepers initiative",
Jane Cook, MHCLG advisor

Workshops

"Homeless? Asking and understanding" Maxine Jenkins,
specialist health visitor
and

"Addressing health inequalities
in homeless children, young
people and families." Michaela
Des Forges, Homeless Link
policy manager
